oh, get off it. I enjoy your emails. Just because I don't dig a story
about some asshole hitting someone doesn't mean you have to give up.
All of life is a trial and our job is to go through it with an upbeat
attitude, even though at times that is difficult to do. It's a
materialistic world and we work in the material goods, fingers to the

bone, all that shit, keep writing, it's a good thing to do. I plod along best I can, our main mission is to be kind to others and help those along the way, everyone is on a path, just got to figger out how to put one foot in front of the other, take a skip to the loo, keep on going.

or as kesey always said, Keep your dobber up.
